

## **Interim Statement of Compliance – UK Packaging Tax**

Arjobex Polyart Limited declares that the products it manufactures are compliant with the requirements of the United Kingdom's *Plastic Packaging Tax (Descriptions of Products) Regulations 2021* with respect to meeting the requirements of containing a minimum of 30% recycled material.

This is an interim self-declaration, with external 3<sup>rd</sup> party validation of this declaration scheduled to be carried out in September 2022 via on site audit by an accredited certification organization.

Once this audit has been completed a formal statement from the auditing organization will be issued and this statement will be withdrawn.
